Article 14  Shared Governance  
(District Level)

14.1 Faculty/Management Shared Governance

14.1.1 The District and Federation agree that the Chancellor’s Cabinet, as described below, is the District-wide body for effective participation.

14.1.2 Shared Governance Defined
Shared governance is a collaborative goal-setting and problem-solving process built on trust and communication. The process involves representatives from appropriate constituent groups who engage in open discussion and timely recommendation in areas of District policy development and implementation not specifically restricted by any legal and policy parameters (Los Rios Policy P-3411).

14.1.3 Purpose
The Chancellor’s Cabinet will function as the District shared governance group and may take up issues of District-level significance which are not reserved by law, contract or agreement for negotiation, or which may be the responsibility of other groups. Any constituent group may place an issue before the Chancellor’s Cabinet for review and recommendation to the Chancellor. Constituencies are defined as faculty, classified, student and administration.

14.1.4 Structure
In order to facilitate discussions, a structure is to be implemented which will assure that all affected and appropriate constituencies have input and involvement in the resolution. All members of the Chancellor’s Cabinet will represent the interests of their constituencies. These interests could be those of either the constituency or the particular college. Members will assume the responsibility for considering the District-wide and college-specific implications of issues.

14.1.5 The Chancellor’s Cabinet may form task groups. Such task groups will report to the Chancellor’s Cabinet.
