Sharon Hendricks is the CFT, CCCI, FACCC and CPFA endorsed candidate for the Community College representative on the CalSTRS Board. "We are facing unprecedented attacks on teachers and public pensions while also witnessing great economic instability. These are challenging times for our country, our state and our role as educators in the public sector. Politicians are using the attacks on our pensions as a tool to undermine unions and weaken the middle class. As the elected Community College representative to the CalSTRS Board, I will fight for the secure retirement for all part-time and full-time community college faculty. I will also keep you informed and solicit your ideas about challenges facing CalSTRS and its members."

Carl Friedlander, President of the Community College Council, states "Sharon Hendricks will be a thoughtful, forceful, and persuasive voice on the CalSTRS Board. She understands both the fiscal and political challenges our retirement system faces and she will engage in the kind of regular, two-way communication with faculty that the current situation demands."

Sharon has been working to ensure the retirement security of community college faculty at the state level, serving on the CFT and FACCC Retirement Committees as well as at the local level, speaking to local chapters' and unions' faculty groups regarding CalSTRS issues and the attacks on teachers and public pensions. If you have questions for Sharon or want information about her campaign, please feel free to contact her.
