

Article 6

Seniority

- 6.1 In accordance with prevailing state law, the District shall maintain a certificated register; a seniority number will be assigned to each member of the bargaining unit with re-employment rights.
- 6.2 Numbers will be assigned according to provisions in the Education Code. Lower numbers indicate earlier hiring dates; higher numbers indicate more recent dates of employment. The order of seniority for individuals having the same first day of employment is by the assignment of random numbers. Seniority will apply to the tenured teaching load percent designated by Board appointment and subsequent Board reassignment.
- 6.3 Certificated registers shall be maintained in the President's office of each college, in the District Human Resources Office, and with the president of LRCFT.
